奕帆 周

has successfully completed the online, non-credit Professional Certificate

Meta Data Analyst

In this specialization, learners developed and honed essential data analytics skills, including applying the OSEMN framework to data analysis, using SQL queries to pull data from a database, cleaning data using spreadsheets, and basic Python applied to data analytics. Learners also developed a foundational understanding of statistics and data management principles.

Anke Audenaert
CEO & Co-Founder Aptly
Adj. Professor, UCLA
Anderson School of
Management

Brandon Larkin
Deputy CIO

Victor Geislinger
Data Scientist

Dr. Brandi Robinson
Learning Architect
